Certificate of Achievement

This certificate is proudly presented to **Ramot at Tel-Aviv University Ltd.** that has successfully registered a **CN Patent no.ZL201980071102.3** on **February 18, 2025**.

In recognition of this achievement, a tree will be planted in your honor.

The act of planting a tree symbolizes the growth and strength that comes from the protection and recognition of intellectual property and serves as a reminder of the value of innovation, creativity, and the preservation of knowledge.

May this tree thrive and grow, just as your ideas continue to flourish and inspire others.
